PROFILE

A motivated MCA graduate, skilled in problem-solving and effective teamwork. Committed to lifelong learning, adept at adapting to emerging technologies and staying current with industry trends. Aspiring to contribute as a Fresher Frontend Developer, seeking opportunities to apply my skills and drive for continuous improvement within an organization.

WORK EXPERIENCE

INTERNSHIP

Exposys Data Labs | Full Stack Developer Intern

- Designed and developed the user interface for the "burger" website, enabling user customization of burgers with a wide range of ingredients.
- Employed HTML, CSS, and JavaScript to craft an intuitive and responsive burger customization interface.
- Ensured compatibility across multiple browsers and optimized the site for mobile devices, guaranteeing a smooth user experience.

PROJECTS

Netflix Clone

- Created responsive user interfaces with HTML5, CSS3, and JavaScript, emulating the design of Netflix.
- Successfully integrated APIs to retrieve and present movie and TV show information, showcasing proficiency in API integration.

Fanta Animated Website

- Revitalized the Fanta beverage website by utilizing HTML, CSS, and GSAP to elevate user engagement.
- The project focused on enhancing the website's interface and incorporating animations to captivate user interest.
